

[Latest Open Access issue of Focaal \(Vol. 2022, Issue 93\)](#)

Discussion published by Young Lee on Wednesday, August 24, 2022

Dear Colleague,

The latest Open Access issue of *Focaal* has published. This issue's theme section explores the articulation of a growing sustainability-finance nexus across intersecting institutional, political, and cultural contexts.

Please visit the Berghahn website for more information about the journal:
