*OpenPhilately* is a new journal that aims to make quality philatelic research available to all. *OpenPhilately* publishes original materials in a variety of formats, such as full research articles, shorter length feature articles, book, website, and social media reviews, and philatelic exhibits.

*OpenPhilately* is an open-access journal--free for authors and readers. By making research freely available, we help support the greater global exchange of knowledge. Users have the right to read, download, copy, distribute, print, search, or link to the full text of articles in this journal, and to use them for any other lawful purpose. There are no article submission or processing charges. Each journal volume is preserved via the Walker Library's three level preservation methods including local and cloud storage.

With an anticipated first issue publication date of Summer 2023, *OpenPhilately* seeks submissions. **Deadline for article review for the inaugural issue is February 28, 2023.**

Additionally, OpenPhilately is also seeking volunteers to serve on its editorial board.
