

[Upcoming virtual talk on the History of Eugenics](#)

Discussion published by Amy Carney on Tuesday, September 27, 2022

Penn State Behrend and the Schreyer Honors College at Penn State are hosting a virtual talk on Thursday, October 20 at 7pm EST. Patricia Heberer Rice, a senior historian at the United States Holocaust Memorial Museum, will be speaking about the history of eugenics in Germany and the United States.

Anyone interested in joining can [register for the talk here](#).
