

## [H-Net Meet-and-Greet at ASEEEES Chicago](#)

Discussion published by Emily Joan Elliott on Friday, October 7, 2022

H-Net will be hosting a meet-and-greet at ASEEEES in Chicago on Thursday, Nov. 10, 2022, at 5:30 p.m. at [Miller's Pub](#), located around the corner from the Hilton Palmer House. H-Net will provide a selection of appetizers and a limited open bar. We look forward to using this opportunity to meet our editors and subscribers to networks related to East European and Eurasian studies and to talk about how H-Net can support their work. If you are interested in taking on a leadership role with an H-Net program, reviewing books, starting a new network that you think is needed, or sharing a DH project, we are also happy to provide information about that. We hope the meet-and-greet will facilitate idea sharing, collaboration, and a collegial atmosphere.

Emily Joan Elliott, H-Net's current Associate Director of Research and Publications and Managing Editor of H-Net Reviews, will be representing ASEEEES. Look for the high top tables with H-Net banner near the bar.
