While in residence, the Research Fellow and Travel Grant awardees will use these collections, which encompass a wide range of legislative, historical, and policy issues.

The 2016 Research Fellowship is a \$2,500 award and the fellow will be required to conduct research at the Dole Archives for a period of 1-3 weeks between July 1, 2016, and June 30, 2017. The deadline to apply is March 21, 2016

The Travel Grant program is intended to defray costs associated with research-related travel to the Dole Institute and offers reimbursements of up to \$750. Applications are considered on a rolling basis.
