Important Dates:

Workshop paper submission deadline March 18, 2016

Author notification deadline March 28, 2016

Camera-ready paper submission deadline April 7, 2016

.....

Authors are invited to submit original technical papers and novel research contributions in any aspect of e-health and covering but not limited to the topics of interest listed below.

Main Topics of Interest:

.....

Smart e-health Systems through Web technologies by considering:

*Autonomic analysis, monitoring and situation alertness

*Body sensor networks and wearable sensor systems on e-health

*Medical biofeedback

*Medical decision support systems and tools

*Context awareness and autonomous computing for ambient assisted living

*e-health oriented software architectures (Agent, SOA, Middleware, etc.)
