Description:

This tutorial will give an overview of how to browse academic announcements on [H-Announce](#), H-Net's free academic announcement service.

Please note that H-Announce does not distribute job postings or new book announcements. For these, please visit the [H-Net Job Guide](#) or the [H-Net Book Channel](#).

To post an announcement directly to a [network](#), please visit and subscribe to that specific network.

To learn how to post an announcement, watch the companion video [How to Post to H-Announce](#).

This video was produced by H-Net's digital media producer [Jessica Kukla](#).
