New Europe College-Institute for Advanced Study in Bucharest (Romania) launches the annual competition for the 2023/2024 Fellowships. Romanian and international scholars in all fields of the humanities and social sciences (including law and economics) are invited to apply.

What we offer: The Fellowship consists of: a monthly stipend of 850 Euros (tax free); accommodation in Bucharest, comprising living quarters and working space; reimbursement of travel costs from the home/residence country to Bucharest and back. Fellows who stay for the whole academic year are offered a one-month research trip to an institution of their choice. Fellows have free access to the NEC library and electronic resources.

What we expect: Fellows are expected to work on their projects and take part in the scientific events organized by NEC; presence at the weekly seminars discussing the work in progress of the Fellows is compulsory. At the end of their Fellowship, Fellows are expected to hand in a research paper, reflecting the results of their work over the duration of the Fellowship. The papers will be included in a NEC publication.

Eligibility: NEC Fellowships are open to postdoctoral level scholars, Romanian and international, in all fields of the humanities and social sciences

Duration: For Romanian citizens: a full academic year (10 months, starting with October 2023); for non-Romanian citizens: a full academic year or one term (5 months, starting with October 2023 or March 2024).
