Call for Papers: Society for German-American Studies (SGAS) 47th Symposium, April 27-29, Alexandria, VA

**Submission Deadline: January 15, 2023**

Theme: "**German American Revolutionary Crossings?**"

When revolutions (most prominently in 1848/49) failed in the German-speaking lands, their disillusioned participants often fled to the Americas. While many attempted to realize their ideas in the New World, others settled for pursuing the American Dream. Earlier, the ideals of the American Revolution had a profound influence on revolutions in Germany and beyond.

**We invite proposals for presentations across disciplines** on the influence of these ideas on both sides of the Atlantic. As is our tradition, we also accept proposals dealing with other aspects of German-American studies. This year's symposium will feature a Saturday afternoon walking tour of German-American traces in Washington, D.C. on April 28. This will be followed by the SGAS banquet on Saturday evening.

Using the subject line "SGAS Symposium 2023," **please email to SGAS Vice President Marcel Rotter [mrotter@umw.edu](mailto:mrotter@umw.edu) an abstract of your proposed presentation** (not more than 250 words) as a Word document by January 13, 2023. The abstract should include your paper title, your full name as you wish it to appear in the program, your email address, your complete mailing address, and your academic affiliation, if any.

#### **SUPPORT FOR GRADUATE STUDENTS**

**Five symposium grants of \$1,000** each will be available on a competitive basis to graduate students whose paper proposals have been accepted for presentation at the SGAS Annual Symposium. [For more information and special submission requirements click HERE.](#)
