

Temporary Summer Housing in NYC

Discussion published by Jonathan Schorsch on Sunday, April 10, 2016

Dear Colleagues,

I am posting this for a friend of mine. Please reply to her directly.

I'm Miléna Kartowski-Aïach, an artist and anthropologist coming to NYC from France to attend the AJHS conference, do field work inside the Mizrahi Jewish community and lead a yiddish theater laboratory with ex-hassidim. I'm looking for a cozy and affordable room to rent during my stay, hopefully in Brooklyn or lower Manhattan, from 15th June to 10th July.

Thanks a lot for your help!
