

[AI and College Essays](#)

Discussion published by Patrick Buck on Wednesday, December 14, 2022

Since many of us are going to be grading exams and essays these days, I thought it would be important for us to read and reflect on this article: <https://www.theatlantic.com/technology/archive/2022/12/chatgpt-ai-writing-college-student-...>

What kinds of reasonable and realistic responses can we make to this phenomenon? If an AI can churn out C-grade essays in no time, what is to be done?
