

## **Library Impact Research Report: A Toolkit for Demonstrating and Measuring Impact of Primary Sources in Teaching and Learning**

Discussion published by Dominique Daniel on Tuesday, February 7, 2023

"As part of [ARL's Research Library Impact Framework initiative](#), a team from the University of Pittsburgh Library System addressed how special collections support teaching, learning, and research. This project developed a [toolkit](#) that allows measurement of impact of engagement with primary sources."
