Dear all,

The Fondation France-Japon de l'EHESS is pleased to remind you **the 3rd Session of the second webinars cycle of the project "Care-led innovation: The case of elderly care in France and Japan" (INNOVCARE) to be held on Wednesday 18 January 2023, 9am to 11am (France) / 5pm to 7pm (Japan).**

We will have two presentations from:

- [Rachid Alami](#) (LAAS-CNRS) - *Decisional issues for Human-Robot Joint Action*
- **Yoshihiro Nakabo** (National Institute of Advanced Industrial Science and Technology) - *Title upcoming*
