

[ARL and Ithaka S+R Explore Copyright and Streaming Audiovisual Content in US Academic Libraries](#)

Discussion published by Dominique Daniel on Wednesday, January 25, 2023

"Today the Association of Research Libraries (ARL) and Ithaka S+R released [Copyright and Streaming Audiovisual Content in the US Context](#), by Danielle Cooper and Katherine Klosek. The paper summarizes the experiences of 12 academic libraries in accessing streaming media for teaching, learning, and research purposes, including discussion of the barriers to access and use imposed by certain license terms."
