

[NEH-Hagley Fellowship/Deadline February 15, 2023](#)

Discussion published by Carol Ressler Lockman on Thursday, February 2, 2023

The NEH-Hagley Fellowship on Business, Culture, and Society supports residencies at the Hagley Library in Wilmington, Delaware for junior and senior scholars whose projects make use of Hagley's substantial research collections. Scholars must have completed all requirements for their doctoral degrees by the February 15 application deadline. In accordance with NEH requirements, these fellowships are restricted to United States citizens or to foreign nationals who have been living in the United States for at least three years. These fellowships are made possible by support from the National Endowment for the Humanities.

Fellowships may be four to twelve months in length and will provide a monthly stipend of \$5,000 and complimentary lodging in housing on Hagley's property. Hagley also will provide supplemental funds for local off-site accommodations to NEH fellowship recipients who can make a compelling case that special circumstance (e.g. disability or family needs) would make it impossible to make use of our scholar's housing. Scholars receive office space, Internet access, Inter-Library Loan privileges, and the full benefits of visiting scholars, including special access to Hagley's research collections. They are expected to be in regular and continuous residence and to participate in the Center's scholarly programs. They must devote full time to their study and may not accept teaching assignments or undertake any other major activities during their residency. Fellows may hold other major fellowships or grants during fellowship tenure, in addition to sabbaticals and supplemental grants from their own institutions, but only those that do not interfere with their residency at Hagley. Other NEH-funded grants may be held serially, but not concurrently.
