Discussion published by Gleb Kazakov on Sunday, January 22, 2023

News from the Early Slavic Studies Association:

The Early Slavic Studies Association calls for proposals for a sponsored panel at the **2023 ASEEEES** convention in Philadelphia. The panel papers may be in any discipline, and the panelists do not need to be ESSA members to be considered for sponsorship. The panel may be part of either the virtual or in-person conference.

If you would like your panel proposal to be considered for **ESSA sponsorship**, please send your proposal to [soldat\[at\]soldatkuepper.de](mailto:soldat[soldatkuepper.de]) by Thursday, **March 1st**. Please make sure to specify whether you want the panel to be scheduled for the in-person or virtual convention. The decision will be announced before the ESSA sends the winning panel proposal to ASEEEES by the submission deadline on March 15. Information on the deadlines, themes, and panel proposal rules for ASEEEES 2023 can be found at <https://www.aseees.org/convention> .

Only one panel can be sponsored by each ASEEEES affiliate organization. ESSA sponsorship will guarantee acceptance of the panel at ASEEEES. We look forward to receiving your proposals. Please feel free to contact Cornelia Soldat if you have any questions about this call.

With best wishes,  
Cornelia Soldat
