

## [Call for Editors for H-Eugenics](#)

Announcement published by Amy Carney on Wednesday, January 25, 2023

Type:

Call for Volunteers

[H-Eugenics](#) is looking to recruit new editors.

There are some light shared responsibilities for editors, namely reviewing and posting submitted announcements as well as checking the H-Eugenics e-mail account on a daily basis. We are particularly eager to find co-editors who would like to develop or co-develop a project for the network.

If you are interested in volunteering to be an editor, please submit to [editorial-eugenics@mail.h-net.org](mailto:editorial-eugenics@mail.h-net.org) a short CV as well as a brief explanation (about 250 words) of your past or current research on eugenics and how you would like to get involved with the network. Please also be prepared to provide a reference on request. If you have any questions, do not hesitate to ask.

We will begin to review applications in February, but also keep in mind that we always welcome scholars reaching out to us about volunteering. Our parent academic non-profit organization, H-Net, provides training and an editorial support system where editors can find advice and model projects.

Thanks,

H-Eugenics editors Amy, Caitlin, Corinne, and Sean
