

[help with placing a student in an organization that aids refugees from Ukraine](#)

Discussion published by Brian Horowitz on Tuesday, January 31, 2023

One of my Tulane students is seeking to volunteer with an organization that aids (hands-on) refugees from Ukraine. He is seeking to work in Europe and is ready for a 6 month to 12 month commitment starting August-Sept. 2023. Can people make suggestions with—if possible—email contact information. Thank you.
