*H-Nationalism's Weekend Reading series highlights recent and thought-provoking reviews, blog posts, brief articles, and op-eds. We do not endorse the views expressed by the authors referenced here and encourage critical reading. Have something to say about something you read? You can use the reply feature to offer reflections and criticisms, as long as these do not pertain to the personal integrity or motivations of the authors of the referenced items. All comments are subject to pre-publication review, inline with H-Net policies. Feel free to contact Justin Collier ([collierjustin@gmail.com](mailto:collierjustin@gmail.com)) and our main editorial email account ([editorial-nationalism@mail.h-net.org](mailto:editorial-nationalism@mail.h-net.org)) with any questions or suggestions.*

Dear All,

*The Economist* (paysite) published an article covering [resource nationalism](#) in Indonesia.

*Al Jazeera* has a piece looking at how some [Hindu nationalists in India](#) are celebrating Nathuram Godse, the man who assassinated Mahatma Gandhi, as a 'real patriot.' *France 24* also has an article covering how [Gandhi's killer](#) is a hero to India's Hindu nationalists. *Wall Street Journal* published a story on Twitter reinstating several Hindu nationalist accounts spurring, human-rights groups' argue, a resurgence of [divisive religious material](#) on the platform. *Scroll* has a piece focusing on the idea that nationalism is also [a source of belonging](#) in India.

*Business Insider* published an article about Elon Musk's Twitter [reinstating the account of white nationalist Nick Fuentes](#) who is known for making antisemitic remarks and praising Hitler. *MSN* published an opinion article arguing that Florida Governor Ron DeSantis is promoting the "[purity culture](#)" of Christian nationalism. *Vice News* has a story looking at how White Christian nationalist "groyppers" are [thriving on the social media platform](#) Instagram. George Washington University's *History News Network* has an opinion piece looking at the origins of [Christian nationalism](#).

*Yahoo News* has a story about the outpouring of tributes paid to the [intellectual](#)

[godfather](#) of modern Scottish nationalism, Tom Nairn, who died recently at age 90.

*Anadolu Agency* has a story about a report from The Collective for Countering Islamophobia in Europe warning that the [rise of Islamophobia in Europe](#) is related to the rise of nationalism.

*Australian Resources & Investment* has an opinion piece discussing why some countries are more compromised by [energy nationalism](#) than others.

Regards,

Justin Collier
