

[QUERY: Hospital Israelita in Lisbon](#)

Discussion published by Katrin Sippel on Tuesday, February 7, 2023

Dear scholars, I am preparing a paper about the *Hospital Israelita* in Lisbon during the time of the arrival of thousands of Jewish refugees in Portugal in the 1940s.

Do you know of any publication about it (I found none) or archival material (the hospital folder in the Central Archives for the History of the Jewish People is from 1952) or could you help me in another way?

Thank you very much in advance!

Katrin.
