

[Online Chinese classes - seeking recommendations](#)

Discussion published by Jessica Hinchy on Saturday, January 13, 2018

I am seeking recommendations for a good Chinese language school which holds online classes (via skype or another video platform) at an affordable price. The recommendation is for a beginner learner. If you have any tips for online Chinese classes, please email me off-thread at jhinchy@ntu.edu.sg.

Thanks,

Jessica Hinchy
