

## [Gulag bibliography](#)

Discussion published by Sarah J. Young on Monday, September 12, 2016

Dear all,

I have started a bibliography/metadata project on Russian/Soviet labour camp narratives and published the first version, focusing on memoirs of the Soviet Gulag, this week: <http://sarahjyoung.com/site/gulag-bibliography/> The first version has around 750 entries, and I will be updating it regularly. I am currently considering platforms for enabling collaboration. If you are interested in being involved, please get in touch. For more information on the project, see:

I've also compiled a separate list of memoirs in English, which I hope will be particularly useful for students: <http://sarahjyoung.com/site/gulag-bibliography/gulag-bibliography-english-language-texts-and-translations/>
