### **2016 John Newman Professional Development Scholarship**

The Society of Indiana Archivists will award the John Newman Professional Development Scholarship to attend the 2016 Society of Indiana Archivists Fall Workshop on Friday, October 28, at Hodge Hall at Indiana University (Bloomington). The scholarship waives the cost of the workshop and offers a check for \$150 to help cover hotel and travel expenses.

#### **Workshop: "Past History, Digital Future: Indiana DPLA Metadata"**

This workshop is for those interested in providing greater access to their unique, locally hosted digital archival collections through inclusion in the Digital Public Library of America (DPLA) and/or Indiana Memory. The presenters will guide participants in structuring existing metadata to conform to DPLA and Indiana Memory standards and the training will be geared towards the needs of archival institutions. This session will also be tailored to the content management systems in use by attendees, so whether you use CONTENTdm, PastPerfect, or another content management system, facilitators will provide tools to help you unveil your archives to the world.

**To Apply:** Send a statement of **200-300 words** about why the workshop will help you gain knowledge and experience useful in your volunteering efforts or career, along with your name, institution where you work/volunteer, and contact information.
