Announcement published by Liisi Laineste on Thursday, March 8, 2018

Type:

Conference

Date:

June 25, 2018 to June 29, 2018

Location:

Estonia

Subject Fields:

Anthropology, Communication, Linguistics, Literature, Sociology

ISHS invites humour researchers and practitioners to Tallinn, Estonia, to discuss humour from its basic definitions to innovative research and everything in between. Bringing together a variety of scholars, students and creative practitioners, we welcome proposals of papers, posters, special panel contributions, workshops and other academic formats related to humour research or the applications of humour research in the arts, humanities, and sciences.

Abstract submission / registration: www.folklore.ee/ishs2018/
