Research fellowships in Wolfenbüttel 2018

The Herzog August Bibliothek is an independent research centre of the State of Lower Saxony in Germany and it awards fellowships to post-doctoral researchers in order to promote research in the areas of medieval and early modern cultural history. The international programme is open to all historically oriented disciplines. Projects should be centered on the historic book and manuscript holdings of the Wolfenbüttel library. Fellows are required to be in residence in Wolfenbüttel for the duration of their fellowship.

Fellowships of between 2 and 12 months are either € 1250 (if fellows continue to receive full pay during their fellowship tenure) or € 1800 per month, plus a travel allowance to and from Wolfenbüttel. Fellowships carry a residence requirement and the library has its own housing facilities. Fellows are expected to contribute to the academic life of the library and participate in scholarly exchange. Complete applications for fellowships **in the calendar year 2018** must reach us by **January 31st 2017**. **Applications received after this date cannot be considered.**
