

[Confessions Made in China](#)

Discussion published by Magnus Fiskesjö on Wednesday, May 2, 2018

Dear all,

This is my new article on how media swallows, and helps disseminate (sometimes unwittingly), the worst kind of Chinese state propaganda: the TV confessions spectacles, coerced and produced under torture:

Fiskesjö, Magnus. "Confessions Made in China." *Made in China* 3.1 (January-March 2018), p. 18-22; 108-109 (list of references). <http://www.chinoiresie.info/made-in-china-quarterly/>

Comments/suggestions welcome. Especially for how we can free the victims.
