Dear colleagues,

The new issue of *Made in China* may be of interest to those on this list who work on the commons or the environment in the broadest acceptance of both terms.

The issue is available for download at: http://www.chinoiresie.info/PDF/Made-in-China-2_2017.pdf

Previous issues are available at: <http://www.chinoiresie.info/made-in-china-quarterly/>
