

## **CFP: Tennessee Historical Quarterly Special Issue on Suffrage in the South**

Discussion published by Frances Kolb on Tuesday, June 5, 2018

The *Tennessee Historical Quarterly* seeks submissions for a special issue focusing on the centennial of women's acquisition of the right to vote. Papers must explore suffrage-related questions in the American South, although they need not be Tennessee-specific. Interested authors should submit a one page abstract and (no more than) two page CV to Carole Bucy at [carole.bucy@volstate.edu](mailto:carole.bucy@volstate.edu); Frances Kolb at [frances.b.kolb@vanderbilt.edu](mailto:frances.b.kolb@vanderbilt.edu); and Kristofer Ray at [kristofer.ray@dartmouth.edu](mailto:kristofer.ray@dartmouth.edu). Deadline for abstract submission is July 1, 2018. Expected issue will be Spring 2020. Questions should be sent to Kristofer Ray.
