Mentoring Discussion Series, Question 8:

*How do you incorporate current events into your teaching? Do you address things like campus protests and violence in the classroom, and, if so, how?*

Thank you to everyone who has participated in our discussion series so far. We hope that you will continue to do so and make this a useful forum for discussion for the hundreds of scholars on the H-SAWH listserv.

A new discussion question will be posted in this series every two to three weeks. You can suggest a discussion topic or question [here](#). There are also excellent essays on a wide variety of mentoring-related topics available in H-SAWH's [mentoring toolkit](#).
