

[H-Diplo Reactions to Released Records on the Tet Offensive \[Jervis\]](#)

Discussion published by Diane N. Labrosse on Monday, August 6, 2018

From: Robert Jervis <rjj1@columbia.edu>

The Office of the Director of National Intelligence has just released the first of 3 tranches of records on the Tet Offensive.

The first batch is heavy on CIA records and can be found here: <https://www.intelligence.gov/tet-declassified>.

As Chair of the CIA's Historical Review Panel, I am interested in what H-Diplo readers think of them. The full-page redactions concern material that is not relevant to Tet.
