

[Editors & Advisory Board | HABSBERG](#)

Page published by Marion Romberg on Monday, April 14, 2014

Charles Ingrao created HABSBERG in the fall of 1991 as the first internet list dedicated to history. In April, 1994, he began his partnership with James Niessen, and they brought HABSBERG into H-Net shortly thereafter. In mid-1998 list operations moved from Purdue University to the H-Net server at Michigan State.
