Dear all,

would anyone of you have access to the following paper?

Wang Yangzong (2014): “Zhongguo kexueyuan de sixiang gaizao yundong (1951-1952) 中国科学院思想改造运动1951-1952,” in: *Yuanshi ziliao yu yanjiu*, no. 1, pp. 1-82.

All the well-known databases do not include it.

Thanks in advance,

Marc
