Estudios de Historia de España, biannual online magazine of the Instituto de Historia de España of Pontificia Universidad Católica Argentina, calls to the academic community to submit their articles and book reviews.

The proposals, adapted to the publication rules attached will be topic and subject free, and may refer to the Spanish history and culture in their various eras and from all disciplines and perspectives; accepted languages: Spanish, Portuguese, english and french.

It is hereby notified that in the arbitration procedure, in order to ensure a proper evaluation, neither the author nor the examiner will be identified. Each work will be considered by two academic peers. In case of disputes in the evaluation, it will be submitted to a third arbitrator.

The Committee reserves the determination of the journal number journal in which the positively evaluated works will be published and may reject an article, without having to evaluate it, if it considers that it does not conform to the standards or does not fit the content profile of the publication.

The author will be informed of the acceptance or rejection of his contribution within a maximum period of six months, as well as the evaluations or recommendations of the observers and it will be established the dates corresponding to the reception and acceptance of the work.

The Committee will receive articles and reviews exclusively to the following electronic address: [iheuca@uca.edu.ar](mailto:iheuca@uca.edu.ar)

Sent articles and reviews must be formally adapted to the rules of publication in attached file. Those that do not closely conform to the journal's style and format will be returned to authors, delaying the assessment and, possibly, the publication process.

Estudios de Historia de España has been categorized in level of excellence by the Latindex System and is included in Núcleo Básico de Revistas Científicas Argentinas (CONICET) and the collection SciELO (Scientific Electronic Library Online)
