Anthem Modern and Contemporary Art of the Arab World, Iran and Turkey

An Anthem Press Series

The Anthem Modern and Contemporary Art of the Arab World, Iran and Turkey series publishes scholarly biographies of art works from the region. Each publication traces the historical trajectory of an individual art work, from the circumstances of production (including artist's biography and socio-cultural context of place) through its exhibition history with collectors and museums. This series is published in collaboration with The Association for Modern and Contemporary Art of the Arab World, Iran and Turkey (AMCA).
