

## Reviewers

Discussion published by Jeanine Clark Bremer on Friday, January 11, 2019

Greetings All!

I am currently looking for a few good reviewers. I have some current books on Florida and would like to find some volunteers to review them for our network. If you are interested in writing a review, please send me an email at [clarkbremer@att.net](mailto:clarkbremer@att.net). If you have not reviewed for us before, please include a short vita and some information on the topics you would be interested in reviewing for the network. If you have reviewed for the network before, please just include a short statement on the fields that interest you. Hopefully we can work together and find something that falls within your expertise.

Thanks for your consideration!

Jeanine
