In April 2018, the [Organization of American Historians \(OAH\)](#) partnered with **H-Net** and others as part of their Andrew W. Mellon Foundation supported **Amplified Initiative**. The goal of the project was to "amplify" the sessions from the OAH 2018 Annual Meeting via partner outlets to make conference content available to those who could not attend the meeting in Sacramento. This page acts as central aggregating node for curated OAH Amplified content uploaded and posted to relevant H-Net Networks.

*H-Net would like to thank **Ed Ayers** and **Hajni Selby** from the OAH for inviting us to work with them on this exciting project, as well as **Paul Johnson** and the folks at [Pathwright](#) for their work in digitizing the content.*
