Traditionally, ESI will organize one of its academic conferences in Barcelona in 2019. We are inviting you to register and present your paper at the upcoming event.

The [forum](#) will gather academicians from all around the globe, who will present their papers in podium and poster sessions in various academic domains such as economics, education, anthropology, law, social work, sociology, management, marketing, business, politics, linguistics, philosophy, psychology, literature, linguistics, art and architecture.

Publications

- Book of abstract will be delivered during the conference.
- Book of proceedings will be published within 30 days after the event with an ISBN number.
- Several special editions in peer-reviewed journals will be created.

Proceedings of the forum will be indexed in:

- Google Scholar
- Academia.edu
- Research Bible

Publication in a peer-reviewed journal

[The European Scientific Journal](#), ESJ is a mega-journal with more than 23.000 authors in its archive. ESJ website has over 10 million visits in 8 years of academic publishing. It is pioneer of agile and open peer review procedure and supporter of the open access publishing concept.

The journal is indexed in: Google Scholar, Ebsco, ProQuest, Sherpa Romeo and many more.

The European Scientific Journal, ESJ received a great bibliometric impact from Google Scholar in 2018. [ESJ's](#) h5 index is 31 and h5 median 46.
