

[CFP: Inequalities and Experimentation in Medicine, Science, and Technology](#)

Announcement published by Timothy McMannon on Monday, March 4, 2019

Type:

Call for Papers

Date:

March 29, 2019

Location:

District Of Columbia, United States

Subject Fields:

History of Science, Medicine, and Technology, American History / Studies, History Education, Social History / Studies

The *Committee on Community Colleges* of the Organization of American Historians (OAH) is sponsoring a panel for the 2020 OAH annual meeting in Washington, DC (April 2-4, 2020). The general theme for the OAH meeting is "(In)Equalities," and our panel will focus specifically on inequalities in medicine, science, and technology in American history. We welcome proposals from community college faculty, including part-time and contingent faculty, especially those who incorporate their own research in the classroom in innovative ways.

We are accepting proposals until **March 29, 2019**.

Please forward your 200 to 300-word proposal and CV to: tmcmannon@highline.edu
