

[New Books in Gender Studies Seeking Podcast Hosts](#)

Discussion published by Marshall Poe on Monday, April 8, 2019

New Books in Gender Studies (<https://newbooksnetwork.com/category/gender-studies/>) is currently seeking hosts interested in conducting interviews with authors of new books on gender, sexuality and related fields. Hosting the channel is a good way to bring the work of scholars of gender to the attention of large audiences. Interested parties should write Marshall Poe at marshallpoe@gmail.com.

New Books in Gender is part of the New Books Network (<https://newbooksnetwork.com>), a non-profit consortium of 84 author-interview podcasts focused on academic books. The NBN serves one million episodes a month to a worldwide audience. Its mission is outreach and public education.
