Discussion published by Jeremy F. Walton on Wednesday, September 11, 2019

Dear Colleagues,

Although this is rather late notice, I wanted to extend a warm invitation to my research group's upcoming conference, "Striking Back? On Imperial Fantasies and Fantasies of Empire," which will convene in Göttingen, Germany, on the 12th and 13th of September. You can find the full programme for the conference on our website, at

Please do not hesitate to write to me at Walton@mmg.mpg.de if you are in the region and would like to attend.

Sincerely,

Jeremy Walton
