We have posted the third installment of the freely-accessible ONLINE BIOGRAPHICAL DICTIONARY OF THE WOMAN SUFFRAGE MOVEMENT IN THE UNITED STATES, which now includes 2,140 short biographies of grassroots woman suffrage activists. The OBD can be accessed at <https://documents.alexanderstreet.com/VOTESforWOMEN>. To reach our goal of 3,500 biographical sketches we need additional volunteers to research and write biographies or to supervise the work of students preparing sketches. Please contact Thomas Dublin for fuller information and guidelines for the work.
