2019 Washington DC history books

https://matthewbgilmore.wordpress.com/2020/01/01/2019-washington-dc-history-books/

What follows is a list of books on Washington DC history (and biography) published in 2019. A Goodreads link is included for those available to provide more details on each title, the author, and book availability*. In addition, a link to this blog's interview with the author has been included (or will in future as interviews are completed-so do check back).

COMPILED by Matthew Gilmore

2019
