Within the Individual Call for Scientific Employment Incentive for post-doctoral Fellows financed by FCT (Portuguese Foundation for Science and Technology), the Interdisciplinary Centre for History, Culture and Societies (CIDEHUS) welcomes applications in the framework of its scientific agenda from candidates who wish to submit their projects having CIDEHUS as the host institution.

Within the Individual Call for Scientific Employment Incentive (Estímulo ao Emprego Científico Individual) for post-doctoral Fellows financed by FCT (Portuguese Foundation for Science and Technology), the Interdisciplinary Centre for History, Culture and Societies (CIDEHUS) welcomes applications in the framework of its scientific agenda from candidates who wish to submit their projects having CIDEHUS as the host institution.

Candidates should send an e-mail with a short CV and the guidelines of the project to cidehus@uevora.pt until February 5th.

The applicants will receive an answer from CIDEHUS until February 10th and those accepted will have support for completion and submission of the project proposal to FCT.

The Individual Call is aimed at PhD holders of any nationality or stateless with a background in any scientific area who wish to develop their scientific research or technological development activity in Portugal, integrated into R&D units funded by FCT.

The call is open from 30 January 2020 until 5 p.m. (Lisbon time) on 26 February 2020.

For more information, please see the [FCT website](#).
