

DEADLINE APPROACHING for School for Advanced Research Seminar Applications

Announcement published by Ashley Flores on Thursday, January 16, 2020

Type:

Seminar

Date:

February 1, 2020

Location:

New Mexico, United States

Subject Fields:

Anthropology, Indigenous Studies, Race / Ethnic Studies, Social Sciences, Women's & Gender History / Studies

The School for Advanced Research (SAR) is currently accepting applications for Advanced, Research Team and Short Seminars to take place in 2021-22 and 2022-23 academic years.

Seminars promote communication among scholars or practitioners in a critical stage of their research on a shared topic. Each seminar consists of up to ten participants - invited by the seminar co-chairs - who meet at SAR's Santa Fe, New Mexico campus for three to five days of intense discussion and collaboration.

For more information, please go to sarweb.org/seminars/ or contact Maria Spray at seminar@sarsf.org.
