Call for Papers

Vol. 7, No. 2 (December, 2020)

Important Dates:

Publication date: Early December, 2020

Last date for submission: August 03, 2020

Hiperboreea is the official biannual journal of the [Balkan History Association](#). It publishes articles in the field of History, written in English and occasionally French, and book reviews, or evaluations of scholarly conferences. Our focus is the study of Southeastern Europe, broadly defined as the states situated in the Balkan region. Without limiting its scope to a specific historical period or approach, the journal covers a wide range of topics, such as Cultural History, Political History, Military History, Social History, Economic History, and Archaeology, and encourages work on any historical period and with a multidisciplinary approach.

The following types of manuscripts are considered for publication:

- original articles in basic and applied research;
- critical reviews, surveys, opinions, commentaries and essays.

Hiperboreea is published by the [Pennsylvania State University Press \(PSU Press\)](#). All manuscripts should be prepared according to PSU Press editorial policy ([Author Guidelines](#)) and submitted through the platform [Editorial Manager](#). The editors will inform authors of the decision on their manuscripts within a few weeks from submission. All articles submitted to our journal are reviewed following a double blind peer-review, which means that the reviewer's and author's identities are concealed from each other throughout the review process. Our policy requires at least two reviewers per issue, although it is customary that many more reviewers cooperate on individual articles. Members of the Balkan History Association will receive printed and electronic copies by virtue of their [membership](#). For non-member subscription prices, see the [PSU Press](#) website.

Hiperboreea is one of the few Romanian journals that have built a solid presence in the online environment, being indexed in the following international databases and libraries: [ISI Web of Science](#)

([ESCI](#)), ([EBSCO](#)), ([Scopus](#)), ([ERIH PLUS](#)), ([Ulrich](#)), ([ProQuest](#)), ([ProQuest Philosophy Database](#)), ([Index Copernicus](#)), ([JSTOR](#)), ([CEEOL](#)), ([WorldCat](#)), ([Regesta Imperii](#)), ([J-Gate](#)), ([International Bibliography of Humanism and the Renaissance](#)), ([Bibliographical Information Base in Patristics](#)), ([Modern Language Association International Bibliography](#)), ([International Medieval Bibliography](#)), ([Romanian Academy Library](#)), ([National Library of Australia](#)), ([Oxford Library](#)), ([Harvard Library](#)), etc.

Sharing this call for papers would be welcomed and highly appreciated.

Looking forward to receiving your submission!

**Mihai Dragnea, Editor-in-Chief
President of the Balkan History Association**
