With enormous regret we have decided to cancel the 2020 conference due to take place in July at the University of Manchester. This is due to the continued uncertainty around travel and university campus use during the current Covid-19 crisis, and our desire to prioritize the health and wellbeing of our members and affiliates.

Thank you to all of the people who submitted proposals, and everybody who put so much effort into organizing things at Manchester. You can continue to follow the activities of the Society for the History of Women in the Americas online at <https://shawsociety.net>, and on twitter at @shawsociety.
