Discussion published by Heidi Lerner on Saturday, May 23, 2020

Dear colleagues,

I would like to know if anyone can provide me with a list (or suggestion where to find such a list) of all the Yiddish productions of the Dybbuk that have taken place in Israel since 1948. Most helpful would be those that including casting, locations, etc.

Any information that can be provided would be greatly appreciated.

Thank you, Heidi Lerner
