Call for Papers

Paper Acceptance

You will receive the admission decision or paper/abstract acceptance within 5 days (in most cases), after your application or abstract/paper has been received.

Extended Abstract writing guide

To be considered for review, an extended abstract must include:

- *(a) A working title that clearly identifies the conference objectives being addressed*
- *(b) A statement of the empirical or theoretical concern*
- *(c) A short summary locating the concern within a wider literature*
- *(d) A concise account of the empirical or theoretical methodological approach*

- (e) *The main arguments of the paper and an indication of the supporting evidence*
- (f) *A statement of the main conclusions and their relevance to an international audience*

The extended abstract should be approximately 600 words in length, but no less than 400 or more than 800 words. Abstracts not meeting these requirements, will not be accepted.

Manuscript Format and Style (Writing Guide)

Title and Authorship Information

The following information should be included

- * *Paper title*
- * *Author and all co-author(s) names*
- * *Full institutional mailing addresses*
- * *e-mail addresses of author and all co-authors*

When submitting manuscripts for potential publication in the conference proceedings, please submit an original editable file in one of the (.doc,.docx,) style files. All figures, images, tables, etc., should be embedded into the original file. All submitted full text articles should report original, previously unpublished research results and must not be under consideration for publication elsewhere.

Detailed instructions on preparing papers for submission can be found in the [Paper submission instructions](#).

Abstract: The manuscript should contain an abstract. The abstract should be self-contained and citation-free.

Keywords: Add about four key words or phrases in alphabetical order, separated by commas.

Introduction: This section should be succinct, with no subheadings.

Acknowledgments: All acknowledgments (if any) should be included at the very end of the manuscript before the references and may include supporting grants, presentations, and so forth.

References: Authors are responsible for ensuring that the information in each reference is complete and accurate. All references must be numbered consecutively and citations of intext references should be identified using numbers in square brackets (e.g., “as discussed by Smith [9]”; “as discussed else where [9,10]”). All references should be cited within the text; otherwise, these references will be automatically removed. All references should follow APA format.

All submitted papers will have opportunities for consideration. The selection will be carried out during the review process as well as at the conference presentation stage if the paper is accepted for the conference proceedings. Submitted papers must not be under consideration by any other journal or publication. The final decision will be made based on peer review reports. Please note, If you do not wish to attend the conference and seeking only publication of your work, it is not necessary to submit a paper for the conference. You may directly submitted the paper to the Journal. A [submission procedure to the journal can be found here](#).
