New Issue of *The PRC History Review*, Vol. 2, No. 4 (October 2017)

We are very pleased to announce that the latest issue of *The PRC History Review* is now available. Tani Barlow's essay "Jiang Qing, Seriously" is the inaugural issue of a new series, "Provocations," which offers a glimpse at in-progress research that pushes us to reconsider assumptions and established views in the field.

We hope H-PRC subscribers will contribute to this new series: we invite submissions of think-pieces, teasers for upcoming publications, and insights from ongoing research.
