Online event marking release of Journal of Holocaust Research issue in honor of Lawrence Langer's work

The Fortunoff Video Archive will host an online event marking the publication of a special issue of the Journal of Holocaust Research in commemoration of the 90th birthday of Professor Lawrence Langer. Langer, Professor Emeritus at Simmons College, who also contributed a piece to this special issue, remains one of the most productive, important thinkers and authors on Holocaust testimony.

Please join us for a series of short presentations by contributors to the special issue, as well as a response by Professor Langer.
